The word Nordlys is Norwegian for "Northern Lights." In keeping with this, we offer the theme for the 1964 ne enjoyed & Nordlys: Lights. Our cover depicts this you have been a but beautiful phenomenon. The aurora borealis is seen as flickering or glistening rays or bars of light which appear across the sky. usually in the region within and surrounding the Arctic Circle. The color most consistently visible is green, but a kept the class other colors appear as the aurora becomes more intense. At its highest intensity the aurora covers the entire sky with pulsating sheets of light. Science does not know exactly what causes the aurora, but it is believed that charged rays from the sun cause gases in the earth's atmosphere to glow by much the same principle as a fluorescent light bulb. The Nordlys staff hopes that this beautiful display will help to set the

mood for our theme of lights.

Highlights

Students, teachers, and administrators work together to develop a program of academic and social activities for the new year. The following pages are designed to show the main activities, or "Highlights," of the beginning of the 1963-64 school session.

Night Lights Keep Our

Downtown Oklahoma City

Lincoln Park Lake in the moonlight

The State Capitol Building

City Bright

Our city has many nighttime attractions. The lights of our city help to make it beautiful, and they guide us on our nocturnal excursions. One of the beauty spots is our Capitol building which has recently been equipped with automatic outdoor lighting. Lincoln Park Lake is a favorite spot, especially if one is sentimental, with the moonlight reflecting on the water.

The nightlights of Oklahoma City keep our city and its people safe and secure as well as lighting the way to the many activities which lift people out of their humdrum daily lives.

Nighttime window shopping is a favorite with these two Northeast students. Penn Square is lighted up for greater convenience.

This is one of the many churches in Oklahoma City.

New lighting illuminates our Capitol Building with an ethereal glow.

The chill of an open-air stadium on a winter night, cheering crowds, nervous coaches, and . . . Football! Football has played a major part in the activities of Northeast ever since early days, both from a participating and a spectator standpoint. Every year fine young athletes enter and leave Northeast's halls, and, it is only fair to say, not without contributing a good measure of glory and sportsmanship to the already high ideals of our school.

Many things go into the preparation of a football game: training and conditioning players, selling tickets, pep assemblies, and, perhaps, just a little bit of that last-minute explosive verbal warmup known as the "locker-room pep talk."

And what comes of it all? It is hard to say. Some of the results of good, clean, sportsmanlike competition are as intangible and elusive as freedom, that is to say, they are the emotional benefits that derive from sports. On the other hand, some fruits of a battle well-fought are more concrete. Many trophies and awards grace our halls, and some of our finer gladiators win substantial athletic scholarships to major universities.

But even in defeat, there is a subtle, undefined sort of victory that spreads itself over all present. Perhaps it is that same undying thrill that comes with every parade we see. Perhaps, however, beyond all this pomp and pageantry, beyond the color and the stirring thought of combat, there lies a deeper and more basic feeling, a feeling closer to the feeling of brotherhood and fellowship toward one's fellow man that is the supreme motivation of all sports, indeed, the supreme motivation of all intelligent society.

And, knowing this, we can appreciate not only the coaches and players that make up a game, but the other important ones, ourselves, the spectators, endowed with the God-given ability to "love the game beyond the prize."

Viking Spirit

N.H.S. cheerleader, Trudy Nix, introduces Victor, "The Victorious" Viking, for the first time to Northeast students.

"To Tell the Truth," it wasn't hard to tell which of these "contestant" speech students was the real \$10,000 scholarship winner in this assembly presented by the Play Pro class.

Assistant librarian Mrs. Embry assists Merit Scholarship Semi-Finalists—Bill Giezentanner, Haren Fisher, Jim Lewis—in their studies in the library. The library is an efficient and useful facility, serving all of Northeast's students, helping them with term papers, book reports, and general reading pleasure. The library staff works hard and long to make our stock of books adequate and practical.

Learning Experiences Encourage . . .

Hi-Fi cabinets a specialty at Northeast.

"I wish we had a typewriter that knows how to spell."

"How would YOU like to be Queen for a Day?"

Self-Expression and Technical Skills

Our attendance clerk, Mrs. Janssen, always has a smile for everyone. She is very helpful to anyone in need of her assistance, and she is dearly loved and highly thought of by everyone at Northeast.

Classes at Northeast are geared to provide academic stimuli for achievement and to allow initiative and original thought to flow freely. Students are encouraged to make the greatest use of their time, to look toward the future, and to further intellectual achievement.

"Come in, Mars!"

Knowledge and ability are criteria for success in any field of science.

Mr. Johnson, vice-principal, and Mr. Reed, principal, discuss some vital point of school policy with Jimmy Goodman, Student Council president. Cooperation between administration and student leaders is of supreme importance in promoting the type of school and school spirit that will create responsible, mature citizens for tomorrow's nation and world. For this reason the Student Council was created, to establish a link between those on the giving and those on the receiving end of education.

Dedication

MR. MACE SPANGLER

Mr. Spangler, our assistant principal since 1947, except for two years while he was on duty with the Air Force, retired from Northeast at the end of last year. During his stay at Northeast Mr. Spangler has taught aviation and math, coached tennis, and sponsored the Norseman Boys' Pep Club. He was principal of two high schools before he came to Oklahoma City. He taught at Roosevelt Junior High School and then became assistant principal at Taft Junior High School, where he remained for seven years.

Mr. Spangler was a United States Air Force colonel. He was commander of the Oklahoma wing of the Civil Air Patrol for two years, was in charge of the veterans' training for Oklahoma City, and was in command of the 35th air base group at Johnson Air Base in Japan.

Presently, Mr. Spangler is a member of the Lions Club, church board of the First Christian Church and two bowling leagues. He is also a former municipal tennis singles champion.

Mr. Spangler said, "I am going to miss the fine students and faculty at Northeast."

To many students Mr. Spangler has been more than assistant principal. He has been a true friend. His friendliness and wise counsel have affected the lives of many students who miss him greatly.

New Administration

MR. LESTER M. REED Principal—First Semester

Mr. Reed Becomes
Superintendent of
Norman Schools at Midyear.

Mr. Reed was warmly welcomed to his first year as principal of Northeast.

He came to us from Jefferson Junior High School where he was principal. He previously spent one year as administrative assistant to the superintendent of schools in Oklahoma City. He has also served as a faculty member at the University of Oklahoma and has been the principal of Edmond Junior High School.

Mr. Reed attended Oklahoma State University, Central State College, and the University of Oklahoma. He received a B.S. degree in math at Central State and did his masters and doctorate work in school administration at the University of Oklahoma.

Northeast is privileged to have had such a fine man as its principal, though for only a semester.

Principal's Message:

This year, my first at Northeast, has been a very rewarding one. Over the years high standards of scholarship and citizenship have been established that have been easy to maintain because of the high caliber of students and faculty members working together at Northeast.

We are fortunate to have perhaps the most complete physical plant in Oklahoma City, and through the co-operation of all who are interested in our school, I feel confident that we can maintain the top quality educational program for which Northeast is known.

A Guiding Light to Northeast

Northeast also extends a welcome to Mr. Johnson who was assistant principal the first semester, principal, the second semester.

Mr. Johnson was assistant principal at Northwest Classen for three years after having served as administrative assistant at Central High School where he also taught journalism and history.

He earned a B.A. degree at Pepperdine University in Los Angeles and his master's degree at Tulsa University. He has done graduate work at Oklahoma State University and the University of Oklahoma.

Mr. Johnson's friendly personality has made him very well liked by the students. Northeast is happy to have him on its administrative staff.

MR. JIM JOHNSON Assistant Principal, First Semester Principal, Second Semester

Leadership of the City Schools

DR. JACK F. PARKER Superintendent of Oklahoma City Public Schools

Dr. Jack F. Parker has been Superintendent of the Oklahoma City Public Schools since July of 1961.

He received his bachelor of science degree from Northwestern State College. Eleven years ago he joined the Oklahoma City school system as a faculty member at Grant High School where he later became assistant principal. In 1956 he earned a doctor's degree in educational administration. Dr. Parker has also been a high school principal, assistant to the superintendent, and assistant superintendent in charge of instruction.

The education that the adults of tomorrow receive today depends greatly on the teaching facilities offered to each student. We are very fortunate in having such a well-rounded and tireless faculty. The subjects taught in our school cover nearly all areas of study.

Our qualified teachers deserve constant praise and recognition for the time that they give their students and the wisdom that they impart to them.

Our Red Cross started compiling an album eight years ago to be sent to a school overseas. Much hard work and planning is going into the completion of this album, and it will be quite interesting and informative to the students who receive it.

Language clubs are centers of student activity in the language field. To say nothing of creating a healthy atmosphere for language study, the clubs provide an enjoyable background of fun and supplementary learning. Through these organizations, students seek out the national and social backgrounds of the tongues they study.

Language efforts at N.E. consist in Latin, French, and Spanish, and there is a hearty student support of all three clubs. Each year the language clubs host a "Language Week" wherein students are encouraged to study foreign languages.

Miss Elna Smith has instructed the choir since its beginning at Northeast. She has been in charge of all assemblies for the past several years and has contributed much to their success. Northeast is privileged to have such a talented director of vocal music.

Membership in the Northeast Choir, the Girls Glee, and the Ensemble represents a definite musical achievement. Few activities in the curriculum demand the extra effort and additional time given by members of these groups.

The choir participated in the Thanksgiving assembly.

Due to the efforts of the cheerleaders in their roles as leaders in instilling school spirit throughout the student body, the Northeast Vikings could always count on plenty of support from the crowds.

During the summer, the cheerleaders were trained in the ways of pep by attending the Cheerleaders Short Course at the University of Oklahoma. There, against nearly 300 competitors, they ranked highly, finishing with second place.

Assemblies, honk parades, pep rallies, and skits supported by the cheerleaders have shown our teams that we were really behind them. The cheerleaders and Victor kept the flame of hope burning in the hearts of all loyal fans.

Northeast Wins Capital Conference

COACH JERRY ANDERSON

Northeast's battle-toughened gladiators of the basketball court displayed their genuine mettle in a triumphant season. The Vikings, with grim determination to win and a forceful, aggressive drive, put forth an effort that sent foe after foe down to defeat. Under the leadership of Coach Anderson, the Victorious Norsemen have made this year one in which all Vikings take genuine pride.

With a 10-2 league record, the team grabbed the Capital Conference crown, their first in the history of the Viking team. In the game with Southeast, a 28-16 victory assured Northeast of at least a tie with Central for the championship. Finishing in good style, the Norsemen trounced John Marshall 55-49, to assure their leadership.

It has been a thoroughly pleasing season for all, both players and spectators. We have a real right to be proud of our team, this year more than ever before.

Tom Frazier gains points over his opponent.

B-Team

Paul Ray really goes after this Classen wrestler.

B. Priest, M. Petty, J. Duncan, D. Harper, M. Dryden, J. Reasnor, T. Duncan, R. Long, G. Tarpley, G. Diaz, B. Vaughn, J. Christian.

Cross Country

Jeff McLane, Felix Underwood, Hubert Farbes, Bob Berry, Charles Cunningham, John Pinezaddleby.

Running a two-mile course every day, in fair weather or foul, would make most people cringe. But not our Northeast Cross Country team; they did it every day for two months. Although a lot of points weren't gained the experience was priceless.

FRONT ROW: B. Berry, J. McLane, H. Farbes, L. Morgan, F. Underwood, J. Pinezaddleby. SECOND ROW: L. Phillips, R. Long, A. Sanders, A. Routh, B. Estep, Bob Hope, J. McCown, D. Cotner, R. Hall.

Hubert Farbes and Larry Morgan get ready for a long season.

Since the track season at Northeast has not yet opened as the Nordlys' goes to press, speculation regarding the prospects of the Northeast Track team and its excellent coach, Coach Gilliland, can only be good.

FRONT ROW: H. Crook, L. Turner, M. Coffey, L. Gore, J. McCown, J. Hall, C. Donovan, F. Underwood, G. Roush, D. Walters, J. Pinezaddleby. SECOND ROW: D. Cotner, J. McGrath, R. Burns, T. Jackson, C. Farris, C. Cunningham, B. Hope, M. Clay, R. Friend, M. Novak, C. Curry, C. Watkins, H. Farbes.

Stadium Lights Shine on Baseball

FRONT ROW: D. O'Connor, D. O'Connor, B. Toney, R. Rickey, L. Bickford, D. Willett. SECOND ROW: Coach Havenstrite, L. Morgan, D. Pierce, J. Jones, C. Burns, D. Lewis, D. Corrie. THIRD ROW: M. Cody, L. Pierce, A. Sanders, J. Harris, L. Toombs, B. Floyd, J. Gregory, FOURTH ROW: D. Freeman, B. Durant, J. Biddy, M. Hoover, S. Perryman, R. Oldham, D. Schluchter, R. Hall. FIFTH ROW: J. Howard, J. Abbott, C. Rickey, E. Wheeler, V. Onam, M. Duncan, L. Bullock.

RAIN, SLEET, OR SNOW—Baseball must go on! So say lettermen, Bob Toney, Larry Bickford, and Ralph Rickey.

"Old Pro" Dean Pierce shows Danny Willett, Larry Morgan, Danny O'Connor, and Doug Corrie how to handle the ball.

Northeast Golf Team Is First in State

Four excellent players are: Tommy Gardner, Mark Hayes, Larry Hayes and Mike Hubbard.

The Viking golf team took first in state last year, and with an even better team this year, hopes are high as this book goes to press.

Mike Hubbard and Tom Gardner also brought honors to Northeast, they are the state two-ball champions. Mike is also the Oklahoma City Junior Golf Champion.

The golf team is coached by Mr. Smoot.

These three promising golfers are Lonnie Garris, Bob Russell and Steve Garrett.

Mr. Smoot gives Kenny Sharp some good advice.

Scott Story, Ted Duncan, and Paul Abbott are posed to show their skill.

Viking Tennis Team Really Rates

The tennis team, coached this year by Mr. Anderson, can expect a successful season. Last year the Vikings ranked fourth in conference. One of the five returning lettermen, Bill Hampton, will be out most of the year with an injury. This will increase the challenge of the team.

Lance Ferguson, Pat Dor, and Bill Hampton posed ready for a challenge.

John Weaver and Glen Pipher make a good match.

Bill Wheeler, Tom Brunk, and Rod Lewis add strength to our team.

TENNIS: FRONT ROW: D. Gardner, L. Stroud, and S. Roberts. SECOND ROW: J. Berger, S. Carpenter, A. Hirschi, and B. Isaacs.

. . . Produce Many Victories

Although the counterpart of the Boys' Sports receives less support, they also spend many hours after school practicing to add victories and honors to the Northeast Vikings.

The Volleyball team proves this with their tremendous 1st in the State Regionals.

Our Basketball team, holding a 9-1 record, placed 2nd in the City Conference.

Our outstanding golfer, Sherry Taylor, has proved her golf talents over the last three years by winning the State Girls' Championship.

With these fine records, there is no doubt that these girls have upheld Northeast's traditional reputation of prowess in physical as well as mental pursuits.

Mr. Brothers' first hour class won the eighth grade class prize by buying 27 yearbooks. The prize for winning was their picture in the Nordlys. The Nordlys staff would like to thank you for buying these yearbooks.

Mrs. Fisher's first hour seventh grade class won the prize for buying 14 yearbooks. Their prize was also a picture in the Nordlys. The staff of the Nordlys would like to say "thank you" to this winning class.

In the bright light of a study lamp, our students expose themselves to yet another form of light—the light of knowledge. Our classes are intended to illuminate the minds of our leaders of the future, that their lights may glow brightly in tomorrow's world.

A lasting contribution from the class of '64 is "Victor the Victorious Viking." He is the first mascot in the history of Northeast, and he received a tremendous welcome.

Much time and effort went into the birth of the mascot, and he was born only a few days before our first pep assembly and football game.

Victor's massive head was formed with chicken wire and papier mache, and it took over three weeks to complete him.

Victor has accompanied the Viking teams this year in wins and losses and has been very helpful in promoting school spirit and loyalty.

As an outstanding addition to N.H.S. from the Senior class of '64, it is hoped that "Victor the Victorious Viking" will continue to lead the Viking teams on to VICTORY.

Our Victor, He's All Right

He'll Lead Our Team Tonight

He'll Make Us Fight! Fight! Fight!

Junior Class Officers

BILLY VAUGHN—President JACQUE HENDRICKSON—Secretary
CONNIE COX—Vice President PAM VAUGHN—Treasurer

Only a year to go! The junior class will soon be in the "limelight" where they will feel the thrill and the sadness that always accompanies the senior year.

We have enjoyed planning the Junior-Senior Prom, participating in the activities, accepting the responsibilities, and sharing the excitement of our junior year.

We will always remember this as one of our best years, but we look forward to next year with anticipation.
